

POLICE — WESTERN SUBURBS HUB

8682. Mrs M.H. Roberts to the Minister for Police

In relation to the proposed western suburbs police hub:

- (a) when will site works commence;
- (b) has a building contract been let; and
 - (i) if so, on what date was the contract let and who won the tender; and
 - (ii) if not, on what date is it proposed to advertise the contract and on what date is it proposed to close tenders;
- (c) what is the current estimated completion date;
- (d) how many police officers are proposed to be housed at the facility;
- (e) how many other staff are proposed to be housed at the facility;
- (f) how many square metres are proposed for the internal building space;
- (g) how many external square metres are proposed;
- (h) how many parking bays will be provided for police cars;
- (i) how many parking bays will be provided for the private vehicles of police and other staff;
- (j) what lock up facilities, if any, are proposed for the hub;
- (k) how much have WA Police paid for the site;
- (l) who has the money been paid to and on what date was it paid; and
- (m) will the Minister table the plans for the police hub?

Mrs L.M. HARVEY replied:

- (a) An indicative program prepared by the Department of Finance — Building Management and Works (BMW) estimates construction commencing on site in January 2016.
- (b) No.
 - (i) Not applicable.
 - (ii) Based on the BMW indicative program it is estimated the project would be tendered in October 2015 and awarded in January 2016.
- (c) Based on the BMW indicative program it is estimated the building would be completed in October 2017 with occupation in November 2017.
- (d) It is currently planned for the new facility to accommodate 120 police officers.
- (e) It is currently planned for the new facility to accommodate 4 police staff.
- (f) Based on the Project Definition Plan. the Total Area is 3960m², which consists of a basement (predominantly parking) of 1815m², two levels of accommodation 1950m² and staff outdoor space (part of the built form) of 195m².
- (g) The proposed footprint of the building will occupy most of the site except for some minor landscaping and visitor parking of approximately 9 bays.
- (h) 25 Bays
- (i) 25 Bays
- (j) Lock-up facilities will include a charge room, three holding rooms, a padded cell and sally-port.
- (k) WA Police have not paid for the site at this time.
- (l) N/A.
- (m) Schematic designs have not yet been prepared for the new facility.
