

NUMBAT HABITATS

680. Hon Lynn MacLaren to the Minister for Agriculture and Food representing the Minister for Forestry:  
Will the Minister provide data on the area of forest available for harvest that provides habitat for numbats?

**Hon Ken Baston replied:**

The Forest Management Plan, which sets out the area available for harvest is prepared by the Conservation Commission of Western Australia through the Department of Parks and Wildlife. As such this question should be directed to the Minister for Environment.
