3559. Hon Ken Travers to the Minister for Finance representing the Minister for Transport

- (1) Will the Minister table a copy of —
- (a) Review of Licensing Business Unit's revenue collection process;
  - (b) Snapshot of review of Licensing Business Unit's Business Systems; and
  - (c) Review of the E-Business Strategy for the Licensing Business Unit?
- (2) If no to (1), why not?

Hon SIMON O'BRIEN replied:

The Department of Transport advises:

- (1) (a)–(c) No
- (2) Since the formation of the new Department of Transport (DoT), by separation from the Department for Planning and Infrastructure, there have been significant changes within the department's structure. Commencing in September 2010, Driver and Vehicle Services (Licensing Business Unit) of the department has been undergoing significant changes to re-focus its business to better serve the community. Once completed, the Government may, if it deems fit, review the above.
