

DEPARTMENT OF EDUCATION — SAVINGS MEASURES

381. Hon DONNA FARAGHER to the Minister for Education and Training:

I refer to the minister's answer to question without notice 122 on 28 March 2018 that states —

The Department of Education continues to review its internal operations as part of the 2018–19 budget process to identify further internal savings.

Given that the 2018–19 state budget has now been released, will the minister provide a full list of the “further internal savings” that have been identified by the department and when they take effect; and, if not, why not?

Hon SUE ELLERY replied:

I thank the honourable member for some notice of the question.

The “Spending Changes” on pages 291 and 292 of volume 1 of 2018–19 budget paper No 2 lists all the spending changes to the Department of Education's budget since the release of the 2017–18 budget.
