

LANDGATE — ANNUAL REPORT 2017–18

4283. Mrs L.M. Harvey to the Minister for Lands:

I refer to Landgate's 2017–18 Annual Report, and I ask:

- (a) how much revenue did Landgate receive from automated titling services for the 2017–18 financial year;
- (b) what was the total expenditure related to automated titling services for the 2017–18 financial year, broken down by the following categories:
  - (i) employee benefits;
  - (ii) supplies and services;
  - (iii) other expenses;
  - (iv) depreciation and amortisation;
  - (v) finance costs;
  - (vi) accommodation; and
  - (vii) corporate overheads;
- (c) what was the total revenue of Advara for the 2017–18 financial year;
- (d) what was the total expenses for Advara for the 2017–18 financial year;
- (e) what was the profit/loss of Advara for the 2017–18 financial year;
- (f) what was the revenue received by Advara for projects outside of Western Australia for the 2017–18 financial year; and
- (g) what services did Landgate receive a service appropriation for in the 2017–18 financial year?

**Mr B.S. Wyatt replied:**

- (a)–(b) Landgate's financial reporting requirements and systems do not separately disclose the breakdown of revenue into manual and automated titling services.
- (c)–(e) Advara is not a statutory corporation. Advara Ltd. is a company incorporated under the *Corporations Act 2001 (Cth)*, operating commercially. Advara receives revenue and incurs expenditure for services delivered under commercial agreements with various customers. Landgate is a shareholder of Advara. The revenue, expenditure and profit/loss of Advara are not separately disclosed in Landgate's financial statements.
- (f) The difference between Landgate's revenue and the revenue in the consolidated accounts is attributable to Advara's revenue received for projects outside of Western Australia.
- (g) Landgate's appropriation is received to fund registration, valuation and access to government location information services, to and on behalf of Government.
