

ESPERANCE PORT — ACCESS ROAD

1912. Hon Ken Travers to the Minister for Transport

- (1) When funding was provided in the 2008/09 budget, what was the expected completion date of the Esperance Port access road?
- (2) What is the current completion date of the Esperance Port access road?

Hon SIMON O'BRIEN replied:

- (1) An amount of \$8m was provided in the 2008-09 State Budget for planning and preconstruction works. No funding was allocated within the Forward Estimates for construction.
- (2) State funding will be provided in a future Budget process and completion will depend on the required one third private contribution being identified.
