

QUOBBA STATION — INSPECTION

**791. Hon ROBIN CHAPPLE to the parliamentary secretary representing the Minister for Lands:**

Please see the letter found on my website in which the minister advised that an inspection of the Red Bluff area on Quobba Station by the Department of Lands and the Department of Agriculture and Food Western Australia officers was scheduled to occur in May 2014.

- (1) What was the outcome of the inspection?
- (2) Will the minister table the report of the inspection?
- (3) If no to (2), why not?

**Hon COL HOLT replied:**

I thank the honourable member for some notice of the question.

- (1) The inspection found that no action was necessary.
- (2) Yes. A site inspection report has been generated and I now table it as requested.
- (3) Not applicable.

**The PRESIDENT:** That document is tabled as an attachment to the answer.
