The Department of Education (Central and Regional Education Offices only), Department of Education Services, School Curriculum and Standards Authority and Country High Schools Hostels Authority Head Office do not classify expenses to this detailed level. This is included under the cost code for Venue Hire and/or Hospitality. In order to provide a breakdown by private dining rooms, description, occasion and expenditure, each individual invoice would need to be retrieved and reviewed. This will take considerable time as the Department operates in a manual environment.

Individual schools and hostels are not included, as this would require a survey to be completed by all schools and hostels. This has not been undertaken.
