

GENERAL PRACTITIONERS — FAMILY AND DOMESTIC VIOLENCE TRAINING

**924. Hon NICK GOIRAN to the parliamentary secretary representing the Minister for Health:**

I refer to the government's commitment to advocating that the Australian Health Workforce Ministerial Council approve standards that facilitate mandatory requirements that general practitioners complete family and domestic violence training as part of their continued professional development. On what date was this done?

**Hon SUE ELLERY replied:**

On behalf of the parliamentary secretary representing the Minister for Health, I thank the honourable member for some notice of the question. I am advised that it was 26 April 2017.
