

TOURISM WA — SEOUL OFFICE CLOSURE

480. Mr P. PAPALIA to the Minister for Tourism:

I have a supplementary question. Is it true that there was a 24 per cent increase in tourism numbers from South Korea in the last 12 months to June?

Mrs L.M. HARVEY replied:

I would have to check the figures. I do not believe that figure is correct but I am happy to come back to the member with the numbers.
