

SCHOOLS — LIMITED PROGRAM SCHOOLS

2090. Hon Martin Aldridge to the Minister for Education and Training:

I refer to schools being designed as a “Limited Program School”, and I ask:

- (a) what schools are classified as a Limited Program School;
- (b) what are the criteria for such a classification; and
- (c) does the Department of Education in classifying a school take into consideration the impact the policy may have on remaining students and resourcing?

Hon Sue Ellery replied:

(a)–(c) Refer to Legislative Council Question on Notice 770.
