

**TORRENS TITLE SYSTEM — RECORDS**

*Petition*

**HON COLIN HOLT (South West)** [2.06 pm]: I present a petition containing 31 signatures couched in the following terms —

To the President and Members of the Legislative Council of the Parliament of Western Australia in Parliament assembled.

We the undersigned residents of Western Australia respectfully request that all interests claimed over land registered on the Torrens Title System be clearly recorded on the Title for that land, to ensure certainty, stability and transparency, (whether partial or complete, current or retrospective).

Our petitioners therefore respectfully request the Legislative Council to recommend that full disclosure of the full or partial interests in land by anyone who has an interest in it prior or after sale upon the owner's request.

We also respectfully request the Legislative Council to recommend an immediate investigation into whether or not the Government Gazette is an adequate system for notifying all Landowners of Legislative changes that affects their land, or whether they should be individually notified where there are changes that affect their property.

And your petitioners as in duty bound, will ever pray.
