

TECHNICAL AND FURTHER EDUCATION — COURSE AND TRAINING OPTIONS

**484. Mr F.M. LOGAN to the Minister for Training and Workforce Development:**

I ask a supplementary question. I thought the minister would have known about this because it was advertised. It was all part of the Bigger Picture campaign. This thing was advertised in the newspaper. I point it out to the minister so that she knows. Is it correct that after the student pays for this type of training course—this joint venture that the minister and Central TAFE signed off on—and does unpaid work experience at the end of it, it provides the graduate with an opportunity for casual employment only? Is that what the minister has signed off on, because it is a disgrace?

**Mrs M.H. Roberts** interjected.

**The SPEAKER:** Member for Midland!

**Mr F.M. Logan** interjected.

**The SPEAKER:** Member for Cockburn!

**Mrs L.M. HARVEY replied:**

As I said previously, over 1 600 training packages are available. If the member really wants to know about the specifics of that particular course, he should put the question on notice.

**Mr F.M. Logan** interjected.

**Mrs L.M. HARVEY:** What an idiot!

**Mr F.M. Logan:** Just resign if you can't do your job.

**The SPEAKER:** Members!
