

DEPARTMENT OF LOCAL GOVERNMENT, SPORT AND CULTURAL INDUSTRIES —  
STAFF BEHAVIOUR — INVESTIGATIONS

2183. Hon Tjorn Sibma to the Leader of the House representing the Minister for Local Government; Heritage; Culture and the Arts:

How much has the Department of Local Government, Sport and Cultural Industries spent in 2018–19, and how much is it likely to spend in 2019–20, investigating allegations relating to behaviour by senior staff?

**Hon Sue Ellery replied:**

A total of \$95,255.16 was spent on Investigations in 2018–19. To date, \$0 has been spent on Investigations in 2019–20. It is not possible to determine likely spend in 2019–20 given that behavioural/grievance matters do not follow a predictable pattern of occurrence.
