

MEMBER FOR VASSE — ROAD TRAFFIC INCIDENT

109. Mr J.R. QUIGLEY to the Minister for Police:

I refer to the further disturbing reports last night in the media on the events of 22 and 23 February in Subiaco.

Several members interjected.

The SPEAKER: Members! Thank you, member for Swan Hills. I call you to order for the first time. Member for West Swan, I call you to order for the first time. Member for Butler, let us hear your question.

Mr J.R. QUIGLEY: Can the Minister for Police provide details of the nature of the investigation; and, in particular, what alleged offences are being investigated; and do they include hit-and-run driving, hoon driving, reckless driving, damage to property, leaving the scene of an accident without leaving contact details, perverting the course of justice, and driving under the influence of alcohol?

Mrs L.M. HARVEY replied:

I am beginning to get sick of the sound of my own response to this question; however, I will say it again: as Minister for Police, it is not appropriate for me to comment on an ongoing police investigation and I will not do so.
