

ARMADALE INTERSECTION — TRAFFIC CONGESTION STUDY

4042. Hon Kate Doust to the Minister for Finance representing the Minister for Transport
- (1) Has there been a Traffic Congestion Study done on the intersection of Beeliar Drive, Armadale Road and Kwinana Freeway?
  - (2) If no to (1), why not?
  - (3) Are there future plans to upgrade the intersection of Beeliar Drive, Armadale Road and Kwinana Freeway?
  - (4) If yes to (3), then what do the plans entail and what is the current estimate of the cost?
  - (5) How does the State Government propose to ease congestion on the intersection of Beeliar Drive, Armadale Road and the Kwinana Freeway?

Hon SIMON O'BRIEN replied:

Main Roads WA advises:

- (1) Yes
- (2) Not applicable
- (3) Yes
- (4) The current plans include lane modifications and other traffic measures. Cost will be borne by the shopping centre owners.
- (5) The current planned road network is being reviewed. The review is currently in progress. It is intended to assess options for alleviating congestion, likely to result from the expected development, and to guide the future development of the road network in this area.
