

GOVERNMENT DEPARTMENTS — ANNUAL REPORTS

Question without Notice 910 — Answer Advice

HON SUE ELLERY (South Metropolitan — Leader of the House) [5.07 pm]: Yesterday, Hon Nick Goiran asked me a question about annual reports and whether all the reports due to be tabled by yesterday's date had been tabled. I have checked and I am advised that all the annual reports due to be tabled by yesterday's date have been tabled.

Hon Nick Goiran: Not as of yesterday's date. Have they all been tabled or not as of yesterday's date?

Hon SUE ELLERY: Yes.

Hon Nick Goiran: So all of them have been tabled.

Hon SUE ELLERY: All the reports due to be tabled by yesterday's date have been tabled.

Hon Nick Goiran: That wasn't the question.

Hon SUE ELLERY: That is how I understood the question.

Several members interjected.

The PRESIDENT: Members! I understand that the matter was raised and canvassed during a member's statement last night as well. The minister has sought that information and provided it to Hon Nick Goiran in the house. If he wants to seek further clarification, he may do so next Tuesday at question time.
