Order of Business — Motion

HON SUE ELLERY (South Metropolitan — Leader of the House) [1.12 pm] — without notice: I move —

That order of the day 1 be taken at a later stage of this day sitting.

If I may by way of explanation to the house, I have had some conversations behind the Chair and I think that we will probably deal with order of the day 1 in the last half-hour, or perhaps even the last 20 minutes, of this evening's sitting.

Question put and passed.
