

HOUSING — BROWNLIE TOWERS PROJECT — MAINTENANCE

1039. Hon KATE DOUST to the minister representing the Minister for Housing:

I refer the minister to the ongoing maintenance issues throughout Brownlie Towers in Bentley.

- (1) How many maintenance issues have been reported by residents within Brownlie Towers throughout 2013?
- (2) How many of these maintenance issues have been resolved?
- (3) How many maintenance issues are currently ongoing?
- (4) What is the average time frame for residents to have their maintenance issues resolved?
- (5) What was the total cost of resolving maintenance issues within Brownlie Towers in 2013?

Hon KEN BASTON replied:

I thank the honourable member for the question but she will not like the answer. It is not possible to provide the information in the time available and I request that the member place the question on notice.
