

DEPARTMENT OF REGIONAL DEVELOPMENT — BIGGER PICTURE RESEARCH

300. Hon DARREN WEST to the minister representing the Minister for Regional Development:

I refer to the Minister for Regional Development's media statement of 22 March 2015 on the Bigger Picture advertising and research commissioned by the Department of Regional Development.

- (1) Will the Minister for Regional Development table all the research commissioned by the department, including the research that found "people wanted to know more about the investment"?
- (2) If no to (1), why not?
- (3) What was the cost of the independent research sampling conducted by Ipsos in 2014 on which the minister made the assessment that people wanted to know more about the investment?

Hon COL HOLT replied:

I thank the honourable member for some notice of this question.

- (1) I table the research.
- (2) Not applicable.
- (3) The cost was \$68 805, GST included.
