

PUBLIC HOUSING — TENANT EVICTIONS INVOLVING CHILDREN

4618. Hon Sue Ellery to the Minister for Finance representing the Minister for Housing

How many referrals has the Department of Housing made since 3 May 2011 to the Department for Child Protection, by district, where a household with children faces tenancy action that may lead to eviction?

Hon SIMON O'BRIEN replied:

The Department of Housing collects data relating to legal action but this information does not differentiate between tenancies with and without children.
