

MANNING — HIGH-DENSITY ROAD LINK

229. Hon SUE ELLERY to the minister representing the Minister for Transport:

I refer to planning between the Departments of Transport, Planning, and Education for a high-density road link connecting Henley Street, Murray Street and Jackson Road in Manning. Is the Department of Transport considering any other options other than those particular roads; for example, better usage of Manning Road?

Hon SIMON O'BRIEN replied:

I thank the honourable member for some notice of this question.

I advise that planning work is being done to identify the best option for this link.
