

Division 15: Kimberley Development Commission —

[Supplementary Information No B7.]

Question: Mr C.J. Tallentire asked for clarification on the line item “Kimberley Aboriginal Community Housing Project Extension Kununurra”, why there is a single figure in the estimated actual for 2013–14 and why that stops.

Answer:

\$15 million Royalties for Regions funding was allocated in 2010 for the Kimberley Aboriginal Community Housing project, a one off project being implemented by the Kimberley Development Commission in three Kimberley towns; Fitzroy Crossing; Halls Creek and Kununurra.

Additional Royalties for Regions funding was granted to extend the Halls Creek and Kununurra components of the project and paid out in 2013-14. All project components are scheduled for completion by 31 December 2014.
