

RYAN CLEGG — BAIL CONDITIONS

490. Mr M. McGOWAN to the Minister for Police:

I have a supplementary question. I ask again: was the minister's office not informed about this matter last week; and is it not the case that she did nothing about this issue and she did not assure herself that the bail conditions in relation to this dangerous paedophile were being met?

Mrs L.M. HARVEY replied:

To be very clear, my office became aware of this issue on Friday.

Several members interjected.

The SPEAKER: The question is finished. Member for Joondalup.
