

FITZGERALD RIVER NATIONAL PARK — TOURIST ROAD

**1132. Hon SUE ELLERY to the minister representing the Minister for Transport:**

I refer to the Fitzgerald River National Park tourist road.

- (1) How much has been spent on the construction to date?
- (2) Is refuelling of machinery being used on the road construction being done within the national park?
- (3) If no to (2), how are the machines being refuelled and why?
- (4) Where is the gravel for the road construction being sourced from?
- (5) How much construction work has been completed?

**Hon SIMON O'BRIEN replied:**

I thank the honourable member for some notice of the question. The Minister for Transport has provided the following information —

- (1) An amount of \$15.3 million.
- (2) Yes.
- (3) Not applicable.
- (4) It is sourced from two pits in the localised area.
- (5) Eight kilometres have been completed and another 24 kilometres are currently under construction.
