

TAX CUTS — FEDERAL LABOR POLICY

**468. Mrs L.M. HARVEY to the Premier:**

I refer to the federal members of the WA Labor Party who are trying to block tax cuts for all Western Australians. Has the Premier spoken to his federal colleagues and encouraged them to stop blocking tax cuts that will put desperately needed money back into the pockets of struggling Western Australians; and, if not, why not?

**Mr M. McGOWAN replied:**

As I understand it, that is a federal issue. I will let my federal colleagues make their own decisions on that matter.

**Mr D.T. Redman** interjected.

**The SPEAKER:** Member for Warren–Blackwood!

Several members interjected.

**The SPEAKER:** Members!

Several members interjected.

**The SPEAKER:** Members! Okay, guys; let us get a running list here: Minister for Police; Treasurer; and member for Warren–Blackwood, twice I called you—before I got up and then after I got up. It is called the daily double. I called you and I stood up and you still went on. I will take a bit of time writing these down, which will eat into question time.
