

BUNBURY OUTER RING ROAD ROUTE

**1174. Hon COLIN HOLT to the minister representing the Minister for Transport:**

As reported in the *Bunbury Herald* this week, recent presentations from Main Roads Western Australia in various forums on the Bunbury Outer Ring Road “raised more questions than answers”.

- (1) Will the minister now come to the south west to meet concerned groups to hear their views firsthand?
- (2) If so, when will the minister visit, and which groups, organisations and individuals will she be meeting with?

**Hon STEPHEN DAWSON replied:**

I thank the honourable member for some notice of the question.

- (1)–(2) Main Roads WA is undertaking an extensive program of community and stakeholder engagement in relation to the project, and work continues to identify the most appropriate route. Local members of state Parliament are also providing feedback on the range of community views and appropriate meetings will be arranged when the minister next visits Bunbury.
