

EDUCATION AND TRAINING — SAVINGS MEASURES

1416. Hon Martin Aldridge to the Minister for Education and Training:

I refer to question on notice No. 1120, in which the Minister directed me to Legislative Council question on notice No. 198 which refers to psychiatric services at Joondalup Health Campus, and I ask:

- (a) what does psychiatric services at Joondalup Heath Campus have to do with education budget savings measures;
- (b) is the answer to Legislative Council question on notice No. 1120 correct; and
- (c) if no to (b), when will the Minister correct the record?

Hon Sue Ellery replied:

Due to a typographical error the Member was referred to Question on Notice 198. The correct reference should have been Question Without Notice 198.
