

ROAD SAFETY — COMPULSORY BLOOD TESTING

**250. Hon MARTIN PRITCHARD to the Attorney General representing the Minister for Road Safety:**

When will the promised laws mandating the taking of blood samples from hospitalised road trauma victims be finalised and introduced?

**Hon KEN BASTON replied:**

I provide the answer on behalf of the Attorney General. The provisions requiring compulsory blood testing of suspected drivers involved in a traffic crash that has resulted in death or serious bodily harm are contained within the Road Traffic Legislation Amendment Bill (No. 2) 2015. The bill was introduced into the Legislative Assembly on 11 November 2015.
