

SHARK DRUM LINE PROGRAM — MARKETFORCE CONTRACT

1501. Hon Lynn MacLaren to the Minister for Fisheries:

I refer to question on notice No. 766, asked on 13 August 2014, and I ask the Minister to please provide all other plans and reports produced under this contract, including the following which are referred to in tabled paper No. 1757:

- (a) Communications Plan; and
- (b) Working Updates on Stakeholder Engagement and Resulting Implications?

Hon Ken Baston replied:

(a)–(b) The Community Engagement Strategy being prepared as part of the Shark Hazard Mitigation initiative has implemented a number of strategies and planning for others are continuing. The following documents are tabled for your information:

Promoting safe beach use — the Role of Channels

Community Perceptions Survey Report

[See tabled paper no 2002.]
