

LAW REFORM COMMISSION — ASBESTOS-RELATED DISEASES — COMPENSATION

2352. Hon Martin Aldridge to the Leader of the House representing the Attorney General:

I refer to Project 106 of the Law Reform Commission (WA), and I ask:

- (a) (a) has the Government determined how to proceed with the Law Reform Commission (WA) recommendations; and
- (b) (b) will the Attorney General table the advice of the Insurance Commission WA received on 15 August 2018?

Hon Sue Ellery replied:

- (a) A detailed proposal is currently under consideration.
- (b) The advice of the Insurance Commission of Western Australia (ICWA) provided to Government is not currently publicly available and contains sensitive financial information that is inextricably intertwined with the Government's policy deliberations. A decision whether to table ICWA's advice will be made, once the Government has finally determined its policy position on the LRC's recommendations.
