

MEMBER FOR NORTH WEST CENTRAL — PREMIER'S COMMENTS

**668. Hon JACQUI BOYDELL to the Leader of the House:**

I refer to comments made by the Premier today about a member of Parliament, and I quote: it does not sound like a good idea to me to have the member for North West Central visiting primary schools. I could not be clearer; I would not allow the member for North West Central to visit primary schools.

- (1) Does the Leader of the House agree with those comments?
- (2) If not, will the Leader of the House condemn them?

**The PRESIDENT:** Leader of the House, in her question, the member is seeking an opinion. I do not think you need to answer that question.

**Hon SUE ELLERY replied:**

Thank you, Madam President. I will take your advice.

I am not aware whether the Premier made those comments, but he is more than capable of making his own judgements and statements.
