

ROYAL PERTH HOSPITAL — ACCESS

933. Hon ED DERMER to the minister representing the Minister for Transport:

I refer to the Minister for Mental Health's comment on Thursday, 8 November, that "Royal Perth Hospital, which is ideally located for eastern suburbs residents, with a rail station at the hospital and easy freeway access from all directions, has been open for 153 years."

- (1) Will the Minister for Transport examine the means of access between McIver Railway Station and Royal Perth Hospital, for the purpose of improving access for patients, particularly those with impaired mobility?
- (2) If no to (1), why not?
- (3) Will appropriate signage be installed for the purpose of indicating to drivers which exits to use to achieve the most timely access to Royal Perth Hospital?
- (4) If no to (3), why not?

Hon SIMON O'BRIEN replied:

I thank the honourable member for some notice of this question. Main Roads WA advises —

- (1) Yes.
- (2) Not applicable.
- (3) Yes.
- (4) Not applicable.
