821. Hon Dr BRAD PETTITT to the parliamentary secretary representing the Minister for Water:

I refer to the Water Corporation.

- (1) Is the state government in any part funding a desalination project for the Perdaman fertiliser plant on the Burrup Peninsula/Murujuga?
- (2) If yes to (1), how much money is the state government contributing?
- (3) If yes to (1), why is the Water Corporation funding infrastructure that is not for public use?

Hon PIERRE YANG replied:

I thank the honourable member for some notice of the question. The following answer has been provided by the Minister for Water.

- (1) No.
- (2)–(3) Not applicable.
