

LEGAL AFFAIRS — WORK AND DEVELOPMENT PERMITS

1103. Hon Nick Goiran to the parliamentary secretary representing the Attorney General:

I refer to page 54 of the departments' annual report, which discusses outcomes for the work and development permit scheme, and I ask, of the 1,542 work and development permits issued:

- (a) how many permits were not complied with; and
- (b) how many permits are ongoing?

Hon Matthew Swinbourn replied:

- (a) Data on non compliance is incorporated within a separate metric which is the number of permits cancelled.
- (b) Of the 1,542 permits issued, 62 are ongoing.
