

DRAFT *FOREST MANAGEMENT PLAN 2024–2033*

**928. Hon Dr STEVE THOMAS to the minister representing the Minister for Forestry:**

I refer to today's release of the draft 10-year *Forest management plan 2024–2033*.

- (1) What level of jarrah sawlog harvest does the plan allow for each year?
- (2) What level of ecological thinnings does the plan allow for each year?
- (3) If those figures are not available, given that the government said that they would be released by the end of the year, when will they be made public?

**Hon ALANNAH MacTIERNAN replied:**

Member, I am sorry, I have not seen that question and it does not appear in my file. I will ask the office, which is listening, to bring it in if it has it.
