

SCHOOLS — CHILDREN WITH HARMFUL SEXUAL BEHAVIOURS

1005. Hon NICK GOIRAN to the Minister for Education and Training:

I refer to the minister's answer to my question without notice on 20 October 2022 in which she informed the house that none of the charges laid against the four alleged offenders who are currently at the same school as their victims have resulted in a conviction.

- (1) Since the commencement of the protocol, has the Department of Education ever been informed that a charge laid against a student has resulted in a conviction?
- (2) If yes, on how many occasions has this occurred?

Hon SUE ELLERY replied:

I thank the honourable member for some notice of the question.

- (1)–(2) To provide this information requires manual processing of individual student records, which cannot be completed in the time available. The member may wish to put this question on notice.
