

FOREST PRODUCTS COMMISSION — NATIVE FOREST — LOGGING

1044. Hon Dr Brad Pettitt to the minister representing the Minister for Forestry:

I refer to the Government's commitment to ceasing logging in state native forests from 2024, and I ask:

- (a) will the Forest Products Commission still harvest timber prior to and/or in conjunction with mining activities in state forests; and
- (b) if no to (a), could the Minister please advise who, if anyone, will be harvesting timber prior to and/or in conjunction with clearing for mining activities?

**Hon Alannah MacTiernan replied:**

- (a) Yes.
- (b) Not applicable.
