

WESTERN AUSTRALIAN PLANNING COMMISSION —
“DRAFT STATE PLANNING POLICY 3.6: INFRASTRUCTURE CONTRIBUTIONS”

1049. Hon TJORN SIBMA to the minister representing the Minister for Planning:

I refer to “Draft State Planning Policy 3.6: Infrastructure Contributions”, dated July 2019.

- (1) Will the SPP be finalised and implemented this calendar year; and, if yes, on what date?
- (2) Has the state government received a request from industry to undertake an audit of the balance and operation of local government developer contribution schemes?
- (3) If yes to (2), will the government undertake that audit, and when will it commence that work?

Hon STEPHEN DAWSON replied:

I thank the honourable member for some notice of the question. The following answer has been provided by the Minister for Planning.

- (1) It is anticipated that the Western Australian Planning Commission recommendation regarding “Draft State Planning Policy 3.6: Infrastructure Contributions”, will be provided to the Minister for Planning before the end of 2020.
- (2)–(3) The government has received a submission on the state budget from the Urban Development Institute of Australia (WA), which includes reference to local government developer contribution schemes. The submission will be considered by the government.
