

VACCINE SAFETY SURVEILLANCE SYSTEM — ANNUAL REPORTS

271. Hon NICK GOIRAN to the Leader of the House representing the Minister for Health:

I refer to the answer to my question without notice 231, which revealed that the minister was briefed prior to the delayed release in February 2023 of the *Western Australian vaccine safety surveillance annual report 2021*.

- (1) Who briefed the minister?
- (2) On what date did this occur?
- (3) Was a briefing note or similar document created associated with the briefing?
- (4) If yes to (3), will the minister table it?

Hon SUE ELLERY replied:

I thank the honourable member for some notice of the question.

- (1)–(4) The member is referring to the *Western Australian vaccine safety surveillance annual report 2021*. This annual report was tabled in the Parliament in early 2023. The minister was briefed on the contents of the annual report by the communicable disease control directorate of the Department of Health.
