

METRONET — WORKS — LAWFUL COMPLIANCE

1231. Hon Dr BRIAN WALKER to the minister representing the Minister for Transport:

I refer the minister to the government's Metronet commitments, particularly those in my electorate of East Metropolitan Region.

- (1) Is it the policy of the Cook government that all work undertaken in relation to the rollout of Metronet, be it by government employees or by contractors, should be carried out in a lawful fashion?
- (2) If yes to (1), is there a standard clause in the contracts the government enters into with businesses that makes this expectation of lawful compliance explicit?

Hon STEPHEN DAWSON replied:

I thank the honourable member for some notice of the question. I represent the Minister for Transport, so I provide the answer on the minister's behalf.

- (1)–(2) Yes.
