

FOREST PRODUCTS COMMISSION — PRODUCTION STATISTICS

1596. Hon Steve Martin to the Minister for Forestry:

I refer to the Forest Products Commission's production statistics for 2021–2022 which were belatedly released on 25 July 2023, and I ask:

- (a) will the Minister give a commitment to release the 2022–23 production statistics report together with the Annual Report in the last quarter of this year as has usually been the case?

Hon Jackie Jarvis replied:

- (a) The production statistics do not form part of the FPC's Annual Report. It is planned that the production statistics will be available and released in the first quarter of 2024.
