

**BANNISTER CREEK PRIMARY SCHOOL**

*Petition*

**MR W.J. JOHNSTON (Cannington)** [12.04 pm]: I have a petition signed by 584 petitioners. The petition reads —

To the Honourable the Speaker and Members of the Legislative Assembly of the Parliament of Western Australia in Parliament assembled.

We, the undersigned, say:

- a) We believe that Bannister Creek Primary School would be improved if covered walkways were built between the new school buildings at the Purley Crescent site;
- b) That as covered walkways are already provided at the school's current buildings at Karri Way, covered walkways should be included in the new buildings on a "like for like" basis;
- c) Covered walkways would assist with providing sun protection for children at the school;
- d) Covered walkways would also assist in wet weather for children moving between buildings;
- e) We believe covered walkways can be designed to allow adequate access for emergency vehicles;
- f) The best time to include covered walkways in the school is now, while the new school buildings are under construction.

Now we ask the Legislative Assembly

To support the inclusion of covered walkways into Bannister Creek Primary School's new buildings.

[See petition 68.]
