

RENAL DIALYSIS WAITLIST

1255. Hon STEVE MARTIN to the Leader of the House representing the Minister for Health:

I refer to Western Australians waiting for renal dialysis.

- (1) What was the number of persons waiting for renal dialysis, broken down by area health service, as at the following dates —
 - (a) 1 July 2022; and
 - (b) 1 July 2023?
- (2) For (1)(a) and (b), what is the average time people have been waiting to access renal dialysis?

Hon SUE ELLERY replied:

I thank the honourable member for some notice of the question, but that amount of information for every area health service in Western Australia is an unreasonable amount of information to gather in four hours. The minister's response is: to allow for a fulsome and accurate response, I request the member place their question on notice.
