

DEPARTMENT OF COMMUNITIES OFFICE — MARGARET RIVER

**1268. Hon LOUISE KINGSTON to the minister representing the Minister for Housing:**

I thank the minister for the answer to question 1170. I refer to the Department of Communities' Margaret River office trial review that was scheduled to be completed in January 2021, of which outcomes were to be released in mid-2021.

- (1) Was the trial review completed?
- (2) If so, what were the outcomes of the review?
- (3) Is the report available to the public; and, if not, will the minister table the report?

**Hon JACKIE JARVIS replied:**

I thank the member for some notice of the question. The following response has been provided by the Minister for Community Services.

- (1)–(3) There has been no change to service delivery in the Shire of Augusta–Margaret River. Communities staff continue to work out of the Margaret River office as required and have a regular presence in the Margaret River community.
