

SCHOOLS — CHILDREN WITH HARMFUL SEXUAL BEHAVIOURS

**1233. Hon NICK GOIRAN to the Leader of the House representing the Minister for Education:**

I refer to the minister's answer to question without notice 946, which advised the house that as at 8 August 2023, four alleged or convicted offenders were attending the same public school as their victims.

- (1) As at the start of term 4, are any of these four offenders still at the same school as their victims?
- (2) If yes to (1), for how many terms has this now been the case?
- (3) What is the current total number of alleged or convicted offenders who are attending the same public school as their victims?
- (4) For the calendar year to date, how many police notifications has the department received under the protocol to manage safety arrangements for school students?
- (5) Further to (4), in how many instances has the student-victim moved schools away from their attacker?

**Hon SUE ELLERY replied:**

I thank the honourable member for some notice of the question.

- (1) Yes—two students.
- (2) For student one, it has been 12 terms. For student two, it has been four terms.
- (3) The total is three.
- (4) There have been 15.
- (5) Zero.
