

HOMELESSNESS

810. Hon WILSON TUCKER to the minister representing the Minister for Homelessness:

I note that this week is Homelessness Week. I refer to the government's *All paths lead to a home: Western Australia's 10-year strategy on homelessness 2020–2030*. A stated goal of the strategy is to end homelessness.

- (1) Has the government undertaken modelling to identify the total cost to address the structural factors of homelessness?
- (2) If not, why not?

Hon JACKIE JARVIS replied:

I thank the honourable member for some notice of the question. The following response has been provided by the Minister for Homelessness.

- (1)–(2) It is unclear which recognised framework the member is referring to regarding structural factors affecting homelessness. If the member is able to provide more clarity, the minister will endeavour to provide a response.
