

COOK GOVERNMENT — FABIANISM

**1367. Hon BEN DAWKINS to the minister representing the Treasurer:**

- (1) Is the Treasurer a member of the Australian Fabians or the United Kingdom Fabian Society or on the mailing list of either organisation?
- (2) What are the economic levers or options available within Fabian ideology that will help the Treasurer deal with the cost-of-living crisis?

**Hon STEPHEN DAWSON replied:**

I thank the member for some notice of the question. This answer is provided on behalf of the Treasurer.

- (1)–(2) Members of Parliament declare their positions in professional or business associations each year as part of their annual return tabled in Parliament. Questions regarding the membership of an organisation's mailing lists or their policies should be directed to that organisation.
