

STATE DESIGN REVIEW PANEL — ASSESSMENTS

**706. Hon TJORN SIBMA to the Leader of the House representing the Minister for Planning:**

I refer to the State Design Review Panel process.

- (1) For the 2019, 2020 and 2021 calendar years, how many projects were assessed by the State Design Review Panel?
- (2) How many projects have been assessed by the State Design Review Panel throughout this year to date?
- (3) How many projects are awaiting assessment by the State Design Review Panel?
- (4) For parts (1) to (3), how many are state government projects, and which specific projects?

**Hon SUE ELLERY replied:**

I thank the honourable member for some notice of the question.

- (1) In 2019, eight projects were assessed; in 2020, 39 projects; and in 2021, 37 projects.
- (2) Twenty projects have been assessed.
- (3) Three projects are awaiting assessment.
- (4) For 2019, there were three projects, being Metronet Ellenbrook station, Metronet Whiteman Park station and Metronet Yanchep station. For 2020, there were eight projects, being Metronet Midland station, Metronet Alkimos station, Metronet Yanchep station, Swan River crossings, Metronet Bayswater station, the State Football Centre, the Metronet Byford rail extension and the Queen Elizabeth II Medical Centre design guidelines. For 2021, there were eight projects, being the Metronet inner Armadale level crossing removal, Metronet Ellenbrook station, Metronet Whiteman Park station, the John Forrest National Park visitor precinct, Swan River crossings, Metronet Morley station, Edith Cowan University city campus and Montario Quarter lot 46. For 2022 to date, there have been eight projects, being Montario Quarter lot 46, the Fremantle police complex, Metronet inner Armadale level crossing removal, Swan River crossings, the John Forrest National Park visitor precinct, Metronet Byford rail extension–Byford station, Metronet Byford rail extension–Armadale station and Metronet Midland station.

There are such a lot of things happening.
