

HEALTH — CENTRAL REFERRAL SERVICE

**1423. Hon Dr BRAD PETTITT to the Leader of the House representing the Minister for Health:**

I refer to the central referral service data that has been unavailable to non-government health providers since 1 July 2022.

Since 1 July 2022, how many Aboriginal and Torres Strait Islander patients were discharged from specialist outpatient care due to non-attendance after being referred by CRS?

**Hon SUE ELLERY replied:**

I thank the honourable member for some notice of the question.

CRS is unable to provide the information requested as there is no reference in referrals to Aboriginal or Torres Strait Islander status.
